

**“Once Upon a Time”**  
**2009 IN-NELL Conference**  
**featuring Marcela Summerville**  
**Saturday, March 7, 2009**  
**Park Tudor School (Clowes Commons)**

The 2009 IN-NELL conference will continue with our theme of using stories in the world language classroom. Nationally known teacher, presenter and author Marcela Summerville will lead our conference, presenting strategies for using stories as vehicles for language learning as well as countless other ideas for engaging and challenging students in the world language classroom.

Marcela is the co-author of two Parent's Choice Award winning books "Play and Learn Spanish" and " Play and Learn French" (McGraw Hill). She has also been appointed Pennsylvania State Representative of NNELL (National Network of Early Language Learning) where she is advocating early language learning.

In addition to our feature presenter, we will again spotlight several local teachers at our conference, each sharing an idea or activity that has been successful in their classroom.

Our annual Swapshop, wonderful vendors, door prizes and awards will make this a conference you will not want to miss!
